Module Assessment

At the end of each module you are supposed to do a test for a module assessment.

Its aim is to refresh what you have learned through each module and to prepare yourself for

the Final Assessment.

For assessment of Module 1 (15 points) see Module 1 *in Tests for Self-Assessment*

http://dispace.edu.nstu.ru/didesk/course/show/5615/tests

For assessment of Module 2 (10 points) see Module 2 *in Tests for Self-Assessment*

Please remember:

- You do it in a self-checking mode.

- You can do it as many times as you want / need to.

- The teacher cannot see the results of your tests.
